What can you do to improve your learning performance? (multiple answers)

What can your teachers do to improve your learning performance? (multiple answers)

How do you prefer to be evaluated? (multiple answers)

What could the school management do to contribute to better teaching/learning process?

- more speaking lessons
- more talking lessons
- less least important subjects p.ex. history in biological class
- more free time at home
- more cooperation
- more trips
- learning
- try some of these [mentioned earlier] methods
- lessons in terrain, open air
- keep the school clean, soundproof walls and windows
- give more time for individual work
- make an effort
- be more positive, encourage instead of reprimanding
- control what teacher do during their lessons
